## **Important fields of criminal law in India:**

- **Criminal trail:** The criminal trials are mainly conducted before the district courts.
- **Bails :** The nature of offence determines whether the accused is entitled to bail or not. We take up the matter very cautiously and conduct the proceedings in most efficient manner as the grant of bail and rejection of bail by the courts has wide ranging effects on the accused.
- **Criminal complaints:** A criminal complaint is lodged against a person against his criminal act giving the detailed description of the criminal acts committed by him and the criminal court considers the entire material on record and issues summons to the accused persons.
- **Economic offences:** Criminal breach of trust, criminal misappropriation of money, cheating, forgery etc are the main types of economic offence. We provide all the services related to

launching and defending of economic offences through our highly specialized Indian criminal lawyers at our law firm.

- **Anti dowry cases:** All services relating to anti dowry laws which lead to criminal prosecution of the husband, in-laws etc. is provided by us. The filing and defending requires best legal services. Such cases mainly include the cases pertaining to offences under Section 498A of the IPC.

**EMPLOYMENT** The firm advises on the complex regulatory and legal aspects of employment and labour law in order to enable full compliance with all the applicable laws and provisions. The firm is actively involved in drafting and reviewing of employment documentation and advising on a wide range of labour law related queries, including structuring of ESOPs, transfer of employees, termination, non-compete issues and the like. The group predominantly represents companies and their management on employment related projects and litigation. The firm advises on the following areas: Employment Strategy and Documentation Employee Benefits & Compensation Structuring Employee Stock Options & Share Plans Company Policies Labour Law Advisory Employment Termination HR Legal Audit Employment Litigation Transfer of Employment Non-Disclosure Agreements Confidentiality Agreements Employment Claims Employment Contracts Downsizing. Labour Court in Raipur is located at Telibandha, Raipur, Chhattisgarh.

**Family Law** Family Laws encompass the broad set of rules that are in practice regarding family matters, such as marriage, divorce, inheritance etc. There are some legally enforceable rights and duties that arise when one gives legal validation to the status of interpersonal relationships. The justification for having laws that affect the most private aspects of our life is to ensure protection of individual rights and to uphold certain norms that are essential to human dignity.

**Dispute Resolution & Arbitration** The firm has a strong Commercial Litigation team with knowledge base in all forms of dispute resolution and ensures that disputes are resolved efficiently and cost effectively. The team advises across a diverse range of industries engaged in manufacturing activities, print media, hospitality, natural resources, financial services, insurance, health, entertainment, workplace relations, retail and trade, property and construction activity.

The firm is also skilled in Arbitration, an alternate dispute resolution, which is a valuable alternative to litigation.
